

ENVIRONMENTAL ABRASIVES

Sandblasting Equipment and Media Supplies

(208) 947-1351 | Boise, Idaho

WALNUT SHELL

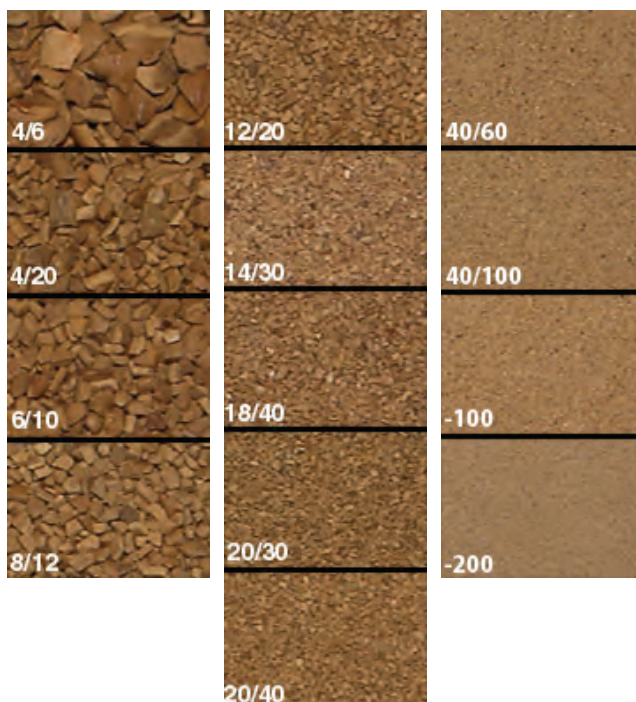

Safe and Environmentally Sound

- Non-toxic and biodegradable
- Requires no flammable
- Dust free
- Natural product
- Found not to cause Silicosis

Cost Effective

- Cleans without leaving scratches or pitting
- Cleaned parts require no additional machining or fitting
- Cleans precision parts without a change in dimensions
- Non-corrosive
- Lightweight
- Surface areas require no drying time
- Resistant to rupture and deformation
- Limited breakdown

Blasting Abrasives

- Removes matter from surfaces without scratching or pitting underlying materials on metals, fiberglass, woods, plastic and stone.
- Used in many polishing and/or deburring applications on fine metals, alloys, mechanical parts, shell cartridges, eye glass lens, rocks, stones, coral, ivory, beans, and seeds.
- Use on media treated with rouge in both tumbling and vibratory applications for polishing gems, machined parts and fine jewelry.
